

GENERAL INFORMATION

HOST CITY: OSLO

With approximately 700 000 citizens, Oslo is Norway's biggest city and the capital of Norway. The combination of a busy city life and easy access to outdoor activities all year round makes Oslo a unique destination. The most popular tourist attractions in Oslo include the Vigeland Sculpture Park, the Viking Ship Museum, the Munch Museum, the Opera House in Bjørvika and Holmenkollen National Ski Arena including the Ski Museum and the jump tower.

For more information about Oslo and Norway go to www.visitoslo.com and www.visitnorway.com.

HOLMENKOLLEN NATIONAL SKI ARENA

Holmenkollen is situated in the hillside west of central Oslo, offering a magnificent view of the city. Since 1892, the venue has hosted the annual Holmenkollen Ski Festival, which is part of the World Cup tournaments in ski jumping, cross-country skiing and Nordic combined. Holmenkollen is also the national venue for biathlon in Norway.

The arena was renewed to host the 2011 FIS Nordic World Championships. Since then, the city of Oslo has continuously improved and upgraded the arena, making Holmenkollen one of Europe's most modern and spectacular biathlon venues.

Holmenkollen is located 56 km from Oslo Airport, and 10 km from Oslo City centre.

Shooting range:	320 m above sea level
Highest point of course:	370 m above sea level
Lowest point of course:	315 m above sea level
